WORK EXPERIENCE

Beta Learn Student Ambassador

Microsoft

📅 July 2021 - current

- Led a local tech community to empower my peers and juniors, and represent my University within a global community of student leaders. Hosted several
- virtual events on topics like Microsoft Azure, Git, GitHub & Open-Source Development.

Student Leader

Postman

📅 Sep 2021 - current

- Postman Student Leaders are like-minded tech enthusiasts who are trained with industry-based resources to increase their knowledge in the field of API & testing.
- We are often tasked with organizing events and hackathons to grow and develop API literacy at ourcampus.

Cloud Ready Program Facilitator

Google

📅 April 2021 - June 2021

- The Google Cloud Ready Facilitator program provides an opportunity to kickstart our career in the cloud and get hands-on practice on GCP - the tool that powers apps like Gmail, Google Search, and YouTube.
- Mentored 300+ students on their journey to master the Cloud through Qwiklabs on Google CloudPlatform.

Campus Leader

Code for Cause

📅 Feb 2021 - current

- Formed a programming community to guide and resolve the doubts of 500+ Open-Source Enthusiasts and budding programmers.
- Hosted numerous webinars gaining and audience of more than 1.5K attendees.

PROJECTS

Hungry Snake Game

- Made a user-friendly Snake game to be able to control with arrow keys. The essence of Hungry Snake is to feed the snake with tokens/apples — the more, the better. We should watch the snake so that it doesn't touch the boundaries and bite itself.
- Utilized Java language with various data structures for an optimized experience

EDUCATION

Bachelor of Technology

Computer Engineering

Delhi Technological University(Formerly DCE) 📍

Delhi, India

SKILLS

Programming Languages

Java

C/C++

Python

Tools & Technologies

Data Structures & Algorithms Google

Cloud Platform Microsoft Azure
